

FACTsheet

Corporate Overview

Candor Expedite puts the power of solutions in our client's hands. Our mission is to turn our partners into supply chain HEROES by equipping them with solutions to their sensitive shipments. Specializing in ground and air expedite, expedited less than truckload, white-glove services, and specialty truckload; we have been able to service numerous industries by reducing their freight spend, giving them more time in transit days, and helping them speed up their inbound and outbound inventories.
